Designed for cool living...

Docril fabrics by Citel are Oeko-Tex® Standard 100 certified and have been tested for harmful substances or chemicals which are prohibited or regulated by law. The Oeko-Tex® Standard 100 is a globally uniform testing and certification system.

Docril fabrics are coated with Dupont Teflon and have exceptional resistance to water, high temperatures, chemical reaction, corrosion and stress-cracking.

Docril fabrics are as durable as they are stylish and are designed to handle high traffic applications with ease. In outdoor situations these fabrics should be hosed regularly to remove dust, bird droppings and other solid particles and should not be rolled up or stowed away while wet.

Docril fabrics are supported by a 7 year warranty. This covers changes in physical properties and is valid for 7 years from the date of purchase. Further details about this warranty are available by request from Ricky Richards (Sales) P/L.

AUSTRALIAN TRADITION MEETS EUROPEAN STYLE

Docril fabrics allow your domestic or commercial indoor design to flow through your windows and outdoor living areas with elegant beauty.

Docril Fabrics:

- Reduce solar heat gain by up to 90%
- Provide protection from the sun helping reduce solar energy bills
- Provide outdoor comfort and indoor climate control
- Stylish, durable and easy to clean
- 100% solution dyed acrylic fabric ensures long lasting colour
- Colours and Designs are water resistant, while Nautica fabrics are waterproof
- Increase commercial profits by creating a useable outdoor dining space
- Expand and shelter outdoor living spaces
